Licence Term a perpetual, non-exclusive, non-transferable licence to use the Software, solely for internal business purposes in accordance with the Documentation and the limitations set forth in this Agreement. If Customer has purchased an Appliance, then the Software may only be used on the Hardware on which the Software has been installed. Customer accepts responsibility for the selection of the Software to achieve its intended results and acknowledges that the Software has not been developed to meet the individual needs of the Customer. If Customer licenses the Software for use in a virtual environment each virtual instance requires its own Software licence. Customer may make a copy of the Software as necessary for back up as permitted by statute and disaster recovery purposes.

2.2 Restrictions On Use. Except as expressly permitted by this Agreement, Customer will not (a) modify, adapt, alter, translate, or create derivative works from the Software; (b) sublicense, distribute, sell or otherwise transfer the Software to any third party; (c) use the Software in any service bureau or time sharing or hosting arrangement; (d) reverse engineer, decompile, disassemble, or otherwise attempt to derive the source code for the Software (except, as provided by statute, for the purpose of integration with other software used by Customer, provided that Customer first gives LogRhythm the opportunity to provide the information needed to achieve the integration or to carry out such work for a reasonable commercial fee); or (e) otherwise use or copy the Software except as expressly permitted in Section 2.1.

2.3 Licence Keys. Customer acknowledges that the Software uses a licence key mechanism and that use of the Software on a perpetual basis (as opposed to a temporary basis for evaluation purposes) requires authorized and valid licence keys ("Licence Keys") that must be installed by Customer. Customer agrees not to use unauthorized licence keys or otherwise circumvent LogRhythm's licence key mechanism. Licence Keys constitute Information (as defined in section 11.1) and must not be disclosed to any third party. LogRhythm will provide the Licence Keys subject to payment by the Customer in full of all applicable license fees due to the Authorized Reseller. If the Authorized Reseller has not received the applicable license fee payment from Customer within the payment time period set forth in the Order, LogRhythm will not be obligated to provide Customer with the Licence Keys and the Software will cease functioning.

2.4 System Files. All system files, including SQL Server database files and transaction logs, used by an Appliance must reside on either the Appliance or an external storage device purchased from LogRhythm ("Supported Equipment"). If Customer moves the system files to any equipment not purchased from LogRhythm then (a) this Agreement, including the licence to the Software granted in Section 2.1, shall automatically terminate and (b) LogRhythm's Support Services obligations to Customer shall automatically terminate. Customer will not be entitled to a refund for any fees paid to LogRhythm for such terminations. Notwithstanding the foregoing, system files do not include LogRhythm archive files.

During the evaluation period, which shall be thirty days from the delivery of the Evaluation Products" (the "Evaluation Period") hardware and/or software (the "Products"), and subject to Customer's compliance with the terms and conditions of this Agreement, LogRhythm grants to Customer a limited, non-exclusive, non-transferable, non-sublicensable licence to install and use the Software only: (a) in object code form; (b) for internal use in a non-production environment at customer's facility; and (c) to test and evaluate the Software in order to assist Customer in its decision to purchase a licence for full commercial use of the Software. Customer will only use the Software for testing and evaluating the Software in accordance with instructions and under conditions suggested by LogRhythm. Customer agrees to allow LogRhythm direct remote access to the evaluation environment during the evaluation period. Any hardware or equipment provided to Customer shall remain the property of LogRhythm and will be returned upon termination of this Agreement. Upon the expiration of the Evaluation Period the licence granted to Customer will terminate and, within five (5) days after such expiration or termination, Customer will, at its own expense, uninstall all copies of the Software, return the Hardware and Software and/or destroy all copies of the Software and all other

Information in its possession to LogRhythm and certify in writing that Customer has performed the foregoing.

3.2 Evaluation Disclaimer. Subject to the licence grant in section 3.1, the evaluation software is for evaluation purposes only. Customer's use of the software is entirely at its own risk. The software and hardware provided by LogRhythm to customer is provided "as is" without any warranty of any kind whatsoever. LogRhythm, on behalf of itself and its suppliers, hereby expressly disclaims all warranties with regard to the software, whether express, implied, statutory or otherwise, including, without limitation, any implied warranties of merchantability, fitness for a particular purpose, title non-infringement and any warranties arising from course of dealing or course of performance.

Customer is responsible for configuring customer-provided hardware or virtual environment in accordance with the configuration parameters as noted in the Documentation. Improper hardware or virtual environment configuration may prevent the Software from operating properly and any such non-standard configuration may not be supported by LogRhythm.

4.3 Software Delivery. Without limiting the warranties in Section 7.1 below, the Software will be deemed delivered the day the Licence Key is provided to Customer. Unless otherwise mutually agreed to in writing, Customer is responsible for installing the Software and Licence Keys in accordance with the Documentation. Subject to the warranty set out in Section 6.1, Customer shall be deemed to have accepted the Software on whichever is the earlier of: (a) the expiry of 10 days after the Licence Key is delivered to Customer or (b) commencement of the operational use of the Software.

5. MAINTENANCE; DEPLOYMENT; TRAINING.

Support Services shall be provided for an initial term of one (1) year after the Effective Date and thereafter shall renew automatically for additional one (1) year terms unless Customer elects to terminate Support Services by providing LogRhythm with at least thirty (30) days written notice prior

Under no circumstances are the Support Services transferrable or assignable by the Customer to any third party.

If at any time during the Term, Customer desires to increase the number of licences that have been previously granted to Customer, then Customer shall pay to Authorized Reseller the applicable additional Licence Fees as set forth in the applicable Order. The audit will be conducted at LogRhythm's expense, unless the audit reveals that Customer has underpaid the amounts owed to LogRhythm by five percent (5%) or more in any quarter, in which case Customer will reimburse LogRhythm for all reasonable costs and expenses incurred by LogRhythm in connection with such audit. Customer will promptly pay to LogRhythm any amounts owed plus interest as provided in Section 5.2. Such audits will be conducted no more than once in any period of twelve (12) consecutive months.

If LogRhythm determines that it is unable to correct the error or replace the Software, LogRhythm or the Authorized Reseller will refund to Customer Licence Fees and Support Services Fees actually paid for the defective Software, in which case this Agreement and Customer's right to use the Software will terminate.

7.2 Hardware and Third Party Software Warranty. All Hardware and third party software is provided to Customer under the applicable warranty for such Hardware or third party software that is made available from the Hardware manufacturer or third party software licensor. For the avoidance of doubt, such warranty is provided to Customer subject to the terms of the warranty directly from the Hardware manufacturer or third party software licensor and, notwithstanding any first tier support provided as a convenience by LogRhythm to Customer, LogRhythm provides no additional warranties directly to Customer for any Hardware or third party software.

7.3 Disclaimers. The express warranties in section 7.1 and 7.2 are in lieu of all other warranties, conditions and terms, express, implied, or statutory,

regarding the Software, Hardware, Support Services and Professional Services and any other ancillary services or activities in relation to this Agreement, including any warranties, conditions or terms of satisfactory quality, fitness for a particular purpose, title, use of reasonable skill and care, non-infringement and any warranties or conditions arising from course of dealing or course of performance which are hereby disclaimed to the fullest extent permitted by law. 8. INFRINGEMENT CLAIMS.

8.1 Indemnity. LogRhythm will defend at its own expense any action against Customer brought by a third party to the extent that the action is based upon a claim that the Software infringes any U.S. patents or any copyrights or misappropriates any trade secrets of a third party, and LogRhythm will pay those costs and damages finally awarded against Customer in any such action that is specifically attributable to such claim or those costs and damages agreed to in a monetary settlement of such action. The foregoing obligations are conditioned on Customer (a) notifying LogRhythm promptly in writing of such action, (b) not making any admission of liability, agreement or compromise in relation to any infringement claim without the prior written consent of LogRhythm (such consent not to be unreasonably conditioned, delayed or withheld), (c) giving LogRhythm sole control of the defence thereof and any related settlement negotiations, and (d) reasonably cooperating and, at LogRhythm's request and expense, assisting in such defence.

8.2 Injunction. If the Software becomes, or in LogRhythm's opinion is likely to become, the subject of an infringement claim, LogRhythm may, at its option and expense, either (a) procure for Customer the right to continue using the Software, (b) replace or modify the Software so that it becomes non-infringing and remains functionally equivalent, or (c) accept return of the Software, terminate this Agreement upon written notice to Customer and refund Customer the Licence Fees paid for such Software upon such termination, computed according to a thirty-six (36) month straight-line amortization schedule beginning on the Effective Date.

This section 7 constitutes Customer's exclusive remedy and LogRhythm's only liability in respect of infringement claims.

9. LIMITATION OF LIABILITY. Subject to clause 10, in no event will either party be liable for the following loss or damage arising from or relating to this Agreement, howsoever caused, whether direct or indirect and even if such party has been advised of the possibility of such damages: (a) for any loss or corruption of data; (b) loss of profit; (c) loss of revenue; (d) loss of business opportunity; (e) loss of anticipated savings or damage to goodwill; or (f) any consequential, indirect, exemplary, special, or incidental damages. This section 8 shall not prevent claims for loss of or damage to Customer's tangible property that falls within the terms of section 9 or any other claims for direct financial loss that are not excluded by this section 8.

10. TOTAL LIABILITY. Subject to Section 11, LogRhythm's total cumulative liability in connection with this Agreement, the software, the hardware and any services, whether in contract or tort (including negligence) or otherwise, will not exceed 1.25 times the amount of fees (including Support Services Fees (if any)) paid by Customer to Authorized Reseller during the twelve (12) month period preceding the events giving rise to such liability or five thousand British pounds (GBP£5,000) whichever is the higher. In addition, LogRhythm disclaims all liability of any kind of LogRhythm's licensors together with third party manufacturers and/or suppliers of any nature.

11. LIABILITY NOT EXCLUDED. Neither party excludes its liability in respect of death or personal injury caused by the negligence of that party, its servants or agents or liability for fraud or fraudulent misrepresentation or breach of statutory warranties of title and quiet possession or such other liability which cannot be excluded or limited by law.

12.2 Protection of Information. Recipient will not use any Information of Discloser for any purpose not expressly permitted by the Agreement, and will disclose the Information of Discloser only to the employees or contractors of Recipient who have a need to know such Information for purposes of the Agreement and who are under a duty of confidentiality no less restrictive than

Recipient's duty hereunder. Recipient will protect Discloser's Information from unauthorized use, access, or disclosure in the same manner as Recipient protects its own confidential or proprietary information of a similar nature and with no less than reasonable care.

12.3 Exceptions. Recipient's obligations under Section 12.2 with respect to any Information of Discloser will terminate if such information: (a) was already known to Recipient at the time of disclosure by Discloser; (b) was disclosed to Recipient by a third party who had the right to make such disclosure without any confidentiality restrictions; (c) is, or through no fault of Recipient has become, generally available to the public; or (d) was independently developed by Recipient without access to, or use of, Discloser's Information. In addition, Recipient will be allowed to disclose Information of Discloser to the extent that such disclosure is (i) approved in writing by Discloser, (ii) necessary for Recipient to enforce its rights under the Agreement in connection with a legal proceeding; or (iii) required by law or by the order of a court of similar judicial or administrative body, provided that Recipient notifies Discloser of such required disclosure promptly and in writing and cooperates with Discloser, at Discloser's request and expense, in any lawful action to contest or limit the scope of such required disclosure.

12.4 Return of Information. Except as otherwise expressly provided in this Agreement, Recipient will return to Discloser or destroy all Information of Discloser in Recipient's possession or control and permanently erase all electronic copies of such Information promptly upon the written request of Discloser upon the expiration or termination of the Agreement. Recipient will certify in writing signed by an officer of Recipient that it has fully complied with its obligations under this Section 12.4.

LogRhythm shall ensure that any person associated with LogRhythm who is performing services or providing goods in connection with this Agreement does so only on the basis of a written contract which imposes on and secures from such person terms equivalent to those imposed on LogRhythm in this Section 14.4 ("Relevant Terms"). LogRhythm shall in all circumstances be responsible for the observance and performance by such persons of the Relevant Terms, and shall in all circumstances be directly liable to the Company for any breach by such persons of any of the Relevant Terms howsoever. Breach of this Section 14.4 shall be deemed an irredeemable material breach. For the purpose of this Section 14.4, the meaning of adequate procedures and foreign public official and whether a person is associated with another person shall be determined in accordance with section 7(2) of the Bribery Act 2010 (and any guidance issued under section 9 of that Act), sections 6(5) and 6(6) of that Act and section 8 of that Act respectively. 14.5 Assignment. Neither party may assign or transfer, by operation of law or otherwise, this Agreement or any of its rights under the Agreement (including the benefit of the Support Services and the Professional Services and the licence rights granted to the Customer to the Software) to any third party without the other party's prior written consent, provided that such third party assignee or transferee shall agree to be bound by the terms of this Agreement; except that each party shall have the right to assign this Agreement, without consent, to any successor to all or substantially all its business or assets to which this Agreement relates, whether by merger, sale of assets, sale of stock, reorganization or otherwise. Any attempted assignment or transfer in breach of the foregoing will be null and void.

party agrees that the specified courts shall have exclusive jurisdiction over such disputes save that any counterclaim may be brought in any proceedings already commenced.

14.9 Remedies. Except as provided in Sections 8 and 9, the parties' rights and remedies under the Agreement are cumulative. Customer acknowledges that the Software contains valuable trade secrets and proprietary information of LogRhythm, that any actual or threatened breach of Section 2 will constitute immediate, irreparable harm to LogRhythm for which monetary damages would be an inadequate remedy, and that injunctive relief is an appropriate remedy for such breach. If any legal action is brought by a party to enforce the Agreement, the prevailing party will be entitled to receive its reasonable legal fees, court costs, and other collection expenses, in addition to any other relief it may receive.

14.10 Waivers. All waivers must be in writing. Any waiver or failure to enforce any provision of this Agreement on one occasion will not be deemed a waiver of any other provision or of such provision on any other occasion.

14.11 Severability. If any provision of this Agreement is unenforceable, such provision will be changed and interpreted to accomplish the objectives of such provision to the greatest extent possible under applicable law or shall, to the extent required, be deemed not to form part of this Agreement. In either case, the remaining provisions of this Agreement will continue in full force and effect. Without limiting the generality of the foregoing, Section 9 will remain in effect notwithstanding the unenforceability of any provision in Section 7.

14.12 Construction. The headings of Sections of this Agreement are for convenience and are not to be used in interpreting this Agreement. As used in this Agreement, the word "including" means "including but not limited to."

14.13 Third Parties. The parties confirm that this Agreement is not intended to confer any rights on third parties and accordingly the Contracts (Rights of Third Parties) Act 1999 shall not apply to this Agreement.

14.14 Entire Agreement. This Agreement (including the annexes and attachments) constitutes the entire agreement between LogRhythm and the Customer regarding the subject hereof and supersedes all prior or contemporaneous agreements, understandings, and communication, whether written or oral.

Each party acknowledges that, in entering into this Agreement, it has not relied on any statement, representation (whether negligent or innocent), assurance or warranty, whether written or oral, of any person (whether a party to this Agreement or not) other than as expressly set out in this Agreement and that it shall have no remedy in respect of such representations. This section shall not apply to any statement, representation, assurance or warranty made fraudulently.

Each party agrees and undertakes to the other party that the only rights and remedies available to it arising out of or in connection with this Agreement or its subject matter shall be for breach of contract.

14.15 Amendment This Agreement may be amended only by a written document signed by both parties. The

terms of any purchase order or similar document submitted by Customer to LogRhythm will have no effect.

(a) Changes to this PSA will be documented using a Project Change Request form in accordance with the process outlined in this PSA.

(b) Customer will ensure that data backup is performed. LogRhythm will not be responsible for the loss or corruption of any Customer data or for any system downtime. 2.2 LogRhythm Responsibilities. Performance of the Services includes, without limitation, LogRhythm's undertaking of the following responsibilities as reasonably applicable to the Services being performed under this PSA:

(a) LogRhythm will use commercially reasonable efforts to complete the Services described in this PSA in a timely manner.

(b) LogRhythm will perform all appropriate Services either onsite at the Customer facilities or remotely, via a remote desktop session. Services not requiring presence onsite may be performed at LogRhythm facilities by mutual agreement between Customer and LogRhythm.

(f) For the duration of this PSA and where applicable, Customer will provide LogRhythm adequate onsite access to office space and equipment, and to telephones with outside lines and a dedicated, secure line for internet access.

(g) Should the project plan rely on electronic/network transfer of data, customer will provision and enable any network components or Services required to facilitate the data transfer.

(h) Where applicable, Customer will provide security passes to cover the duration of this PSA to allow LogRhythm access, and the ability to enter and leave Customer facilities, with laptop personal computers and any other materials related to the Services to be performed under this PSA.

(i) If required by LogRhythm, Customer will participate in testing as directed by LogRhythm.

(j) Customer will provide a Project Lead with the requisite qualifications, expertise, and knowledge who is authorized by Customer to act as a liaison between Customer and LogRhythm and assume the responsibilities detailed in Section 2.4.

2.4 Joint Project Management Responsibilities and Tasks. Both the LogRhythm and Customer Project Leads will ensure the following responsibilities and tasks are met as are reasonably applicable to the Services being performed:

3. Status Notification. LogRhythm will notify Customer of the status of Professional Services hours consumed on a regular basis. Additionally, LogRhythm will also notify customer when Deployment Services have been completed in accordance with the agreed upon Statement(s) of Work.

4. Project Change Process. Any change to a PSA will be coordinated with the LogRhythm Project Lead.

4.1 Change Initiation. LogRhythm or the Customer may initiate change requests. The reasons for a change may include: customer requests; regulatory changes; changes in technical scope; or other detail program issues or requirements. The Project Lead of the party initiating a change will submit each change request to the other party's Project Lead, and then both Project Leads will review such request for validation. Project changes must be submitted in a clear and concise manner in the form of a Change Request Form (Attachment A). Upon the initiation of a change request, both parties must agree within twenty-four (24) hours of the receipt of the Change Request Form by the non-initiating party whether or not to continue performance of the Services or to stop all Services being performed until a mutually agreed upon Change Request Form has been signed by both parties.

4.2 Change Request Review. After the submission of a Change Request Form to a Project Lead and validation of the requested change, the LogRhythm Project Lead will review the requested change to determine if it is within the scope of the SOW.

(a) Within Services Scope. If the LogRhythm Project Lead determines that the change requested by Customer is within the scope of the SOW, the Project Leads of both parties will execute the Change Request Form and implement the change into performance of the Services as appropriate.

(b) Outside Services Scope. If the LogRhythm Project Lead determines that the requested change is outside the scope of Services the SOW, the

LogRhythm Project Lead will then determine whether such requested change impacts the pricing or scheduling projections for the performance of the Services.

(i) If the LogRhythm Project Lead determines that the requested change does not impact the pricing or scheduling projections of the SOW, the Project Leads will execute the Change Request Form and implement the requested change into the performance of the Services as appropriate.

(ii) If the LogRhythm Project Lead determines that the requested change does impact the pricing or scheduling projections of the SOW, the terms of Section 4.3 will apply.

This process is not intended to handle change requests which would constitute a cardinal change to the SOW. Additionally, LogRhythm reserves the right to reject change requests at its discretion.

4.3 Cost Estimate Preparation. Upon determination that the Change Request impacts the pricing or scheduling of the Services under the SOW, a cost estimate applicable to the performance of the requested change will be prepared by LogRhythm and provided to the Customer. The cost estimate will fully document the scope of the change, and provide a basis of estimate for the proposed adjustments in price, schedule, and/or other factors as applicable. If applicable, a schedule (separate from but integrated with the implementation plan) will be developed and maintained for each such authorized change.

4.4 Change Implementation. The execution of the Change Request Form by both parties will cause the Change Request Form to become part of and incorporated into the SOW. Commencement of the performance of the requested change is conditioned upon the mutual execution of the Change Request, and LogRhythm's receipt of an additional P.O. authorization to cover the agreed upon price for each requested change.

5. Rights to Development. LogRhythm will retain all right, title and interest in and to development tools, know-how, methodologies, processes, technologies or algorithms used in providing the Services, which are based on trade secrets or proprietary information. No licence to any patents, trade secrets, trademarks or copyrights is deemed to be granted by either party to any of its patents, trade secrets, trademarks or copyrights except as otherwise expressly provided in the Agreement. Rights associated with any joint development projects will be subject to future discussion and under a separate agreement with terms to be mutually agreed upon by both parties.

6. Constructive changes. LogRhythm and Customer agree that: (a) Customer has knowledge of and control over the conditions and constraints of Customer's facilities, and IT environment; and administers how the services on Customer's IT infrastructure are performed; (b) LogRhythm may undertake a course of action under this engagement which was unforeseen at the time the PSA was executed but is necessary, arises from a latent or unusual condition, is at the direction of the Customer, or results from an act of omission of the Customer and,

by changing LogRhythm's manner, method, or scope of work, increases LogRhythm's cost or schedule to perform; (c) should LogRhythm's cost or schedule to perform so increase, LogRhythm will have the right to an equitable adjustment to the price, schedule, and/or terms of the PSA for such changes even if these changes have not been submitted through the Project Change Process set forth in Section 4.

7. **Entire Agreement.** This PSA and the terms and conditions are the entire agreements between the parties pertaining to the delivery of Professional Services, and supersedes any and all other agreements between the parties relating to the subject matter hereof. Any changes to the terms stated herein in any other writing must be mutually agreed upon and signed by an authorized representative of each party.
